PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS

Read:-

Government order No. 1795-7/Muz.286-27-1 dated 7th April 1928 prescribing a form for writing up Propety and Income Registers for Muzrai Institutions in the State.

2. Letter No. 1254 dated the 25th February 1950 from the Muzrai Commissioner in Mysore proposing certain modifications in the form of the register prescribed in the Government ~~xxxxxx~~ order read above

Adverting to G.O. No.1795-7/Muz.286-27-1 dated 7th April 1928 prescribing the property and income register of Muzrai Institutions, I have the honor to state that the form of register requires slight modification in order to enter a few more details relating to lands and investments.

With respect to lands the ~~xxx~~ nature of each land whether wet, garden or dry the assessment thereon, and the Jodi and cesses payable by the institution cannot be entered in the register as framed at present. I therefore propose that the following modifications may be made in the form of the register.

As the name of the institution with respect ~~xx~~ to which the entries below it pertain is mentioned in the heading itself, it is unnecessary to have a column for the name of the Khatedar. This column may therefore be deleted, and in its place the nature of land whether dry, wet or bagayet may be substituted. A small column may be set uppart for noting the S.No. immediately after the column village. The column now used for S.No. and extent may be utilised to note down the assessment and Jodi payable as per sample form. In the column nature of property another column may be inserted as in sample form to note the taxes &c. payable to Government or local bodies with respect to the properties.

Instructions will be issued to the Taluks and Districts to note in the investments column the dates on which interest is payable on

the investments and the dates of commencement and end of the investment as instructed by the Comptroller in some of his recent inspection notes.

Early orders of Government may kindly be obtained sanctioning the above proposed modifications. A ~~new~~ sample of the present form incorporating the proposed modifications is submitted herewith.

Order No. 2003-5-Muz 268-29-2

Dated, Bangalore, the 29th March 1930.

The Muzrai Commissioner's suggestions are approved with the modification that in the remarks column a note may be made that in cases where the Khata does not stand in the name of the institution, full particulars should be given as regards the person or persons in whose names the Khata is registered and the action taken, if any, to get the Khata transferred.
